CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Around The Glades

(By Paul Rardin)

There is a lot of yow-yowing on the East Coast of the county about making arrangements at the Port of Palm Beach and building roads for a short cut to the Port from the Glades, so that sugar can be shipped through the Port. We haven't heard the first sugar processor in the Glades say anything about wanting to ship sugar through the Port of Palm Beach. Maybe the day will come when the Port will be used for such shipments but that day is a long time in the future.

An East Coast daily says that another new bank will be opened on South Dixie, in West Palm Beach in about eight months. I'd like to predict that Palm Beach county has about reached the saturation point on banks. Already Dade county and Miami have a total of nearly 60 banks and that's too many for that county. I'd regret very much to see Palm Beach county with too many banks.

LeRoy Miners, who opened a modern super market in Belle Glade a few weeks ago, has his formal opening going on this weekend. Prizes, free groceries, lots of trading stamps and all the attractions that go with a formal opening are available at Miners new store on Avenue E and Fifth street. A clever bit of advertising for the new store is the chant that goes like this: Nothing could be finer than shopping down at Miners.

Excellent mail service! That's the phrase that describes Canal Point mail service. Last Wednesday afternoon at 4:30 I mailed a letter to Miami, expecting an answer in a few days. The answer arrived Friday morning at 9 o'clock. A cash customer of the post office couldn't ask for faster, or finer service than that.

Nonpartisan Plan For School Board

State Senator Jerry Thomas has announced that he will seek legislation to amend the state law to elect school board members on a nonpartisan basis. Senator Thomas said that 82 percent of the nation elects school board members on nonpartisan ballots.

If the proposed legislation is not passed during this session, he will consider initiating it on a local bill which will affect only Palm Beach County.

HOME FROM HOSPITAL

Cecil Hall is able to be back home from Everglades Memorial hospital in Pahokee following an attack several days ago. At first it was thought that he had suffered a heart attack but examinations showed something different and not quite that severe.

Mr. and Mrs. Charles Stokes had as their house guests for the past two weeks, her parents, Mr. and Mrs. Leon Smith and Mrs. Harry Steen and Mrs. Mary Rogers all of Bridgeville, Del.

Zone Social Lions In Canal Point Feb. 2

The Canal Point Lions Club will be host at a Lions Zone Social to be held in the Community Building at the Glades Park, Canal Point, Tuesday evening, Feb. 2, according to announcement made at the weekly dinner meeting of the club Monday night with Vice President Harlan Sears presiding in the absence of President J. G. Ford.

Attending the zone dinner meeting will be members of the Okeechobee, Canal Point and Pahokee Clubs, with wives to be guests. A ladies night program will be featured. The zone social will take the place of the regular meeting of the Canal Point Club for the first week in February.

Irish Potatoes At Record Peak Price

Growers who have Irish potatoes this season are getting the benefit of a record price as they are selling for \$8.50 per 100 pounds. Acreage is not too high in the Everglades section of the state and the price is the result of low acreage.

Beans are scarce in the Lake Region this week and growers are harvesting some in the Plantation area of Broward county with the price at \$3.00 to \$3.25. One grower from the Lake Region, who is farming this season in the Plantation section, said yesterday that labor is a problem in that area the same as it is in this immediate area.

Corn in the Lake Region is bringing \$2.75 per hamper and the yield is low in most areas. Some blame the weather. Other blame the type of seed they planted. Celery is constant at \$2.25.

Offshore Labor Is Cause Of Fire

A jail trusty who spotted a fire on the second floor of the Belle Glade jail prevented a major fire in the city jail Tuesday afternoon when 16 disgruntled offshore laborers set fire to a mattress in a detention cell.

The laborers were awaiting transportation to Dade County to be sent back to Barbados for violation of their labor contracts.

ENTERTAIN GUESTS

Mr. and Mrs. Lloyd Hundley entertained Saturday evening in honor of her guests, Mr. and Mrs. Harold W. Friend of Wichita, Kansas and Mr. and Mrs. Rolley King of Wellington, Kansas. During the evening recognition was given and birthday cake served to O. B. McClure who was celebrating his 79th birthday and Miss Lynda Keene who was celebrating her 14th birthday.

HOME FROM JACKSONVILLE

Bandmaster and Mrs. Robert O. Lampi returned home Sunday from Jacksonville where Mr. Lampi attended the Florida Music Educator Clinic and the executive board meeting of the Florida Bandmasters Association.

Canal Hazards Get PTA Attention

Mrs. James Gibson, vice president of the Canal Point PTA presided at the January meeting in the absence of the president, Stanley Hooks. The flag salute was led by Mrs. Mildred Larrick with devotionals by Rev. James Baugher, pastor of the Canal Point Methodist church.

A letter was read from Mr. and Mrs. Paul Rardin expressing their gratitude for the part the PTA played in the recent testimonial dinner given in their honor. Mrs. James Baugher gave a report on the savings stamps and announced that they are still on sale at the school library every Wednesday morning at 9 a.m.

Members agreed to co-operate with the Belle Glade Chamber of Commerce in eliminating canal hazards in Palm Beach County. A request was made to the parents to send all plastic containers to school for the children to make flower vases for the hospital.

W. E. Blackwell introduced Miss Jane Plumer who showed a film on migrants and their problems in south Florida. Room count was awarded to Mrs. Mildred Larrick's third grade. Following the meeting refreshments were served by Mrs. James Gibson and Mrs. Stanley Hooks.

Vocational Class In Electronics

The Palm Beach County Vocational School announces openings of new classes in electronics. Registrations are now being taken according to Bill McLean, Director of Vocational Education. Classes are limited to fifteen. Due to the need for higher training in the electronics field in this community, the following classes are scheduled to start:

Radio and Television Repair (including colored Television). Electronics I, basic concepts and D. C. circuits, basic physics, electrical terms and units, measure devices, Kirchhoff's laws, inductance and capacitance, shop practice and theory.

Electronics III, vacuum tube and semi-conductor fundamentals, diodes, triodes, vacuum tube construction and static characteristics multisection and special purpose tubes, interpreting specifications for vacuum tubes and semi-conductors.

Instrumentation, directed for industrial application, repair and calibration of electronic and pressure equipment, temperature indicators, data recording equipment, vibrator analysis, strain gage application, feed velocity measurement.

Transistors, accurate analysis (Continued on Page 8)

ATTEND MEETING

Rev. Lawrence Stewart and J. G. Weeks attended the meeting of the Palm Lake Association at the First Baptist Church in West Palm Beach Monday night for the purpose of considering a program by which to raise funds of the new Baptist College.

Mrs. Fletcher Ill At Daughter's Home

Mrs. R. P. Fletcher is seriously ill at the home of her daughter, Miss Mabel Fletcher, 4820 SW 5th St., in Miami, according to word received here by friends.

Mr. and Mrs. Fletcher, residents of Pahokee since the early days, have a home in Pahokee at 1163 Bacom Point Road, but, for the past several months, since Mrs. Fletcher became ill, have been living with their daughter in Miami.

For many years Mr. and Mrs. Fletcher operated the Pioneer Drug Store in the old Dixie Hotel building at the corner of South Lake and West Main.

Federal Savings Sets New Record

Richard A. Poston, executive vice president of Everglades Federal Savings and Loan Association with officers in Belle Glade and Pahokee, said this week that his Association had enjoyed a remarkable growth during the past year.

In the annual report to the association's savers Mr. Poston commented:

"Although business competition has been considerable more severe this past year, we are pleased with the continued progress of our institution and its expanded services to this community."

Mr. Poston foresaw the possibility of "some slight pick-up" in housing activities both in the local community and across the nation in 1965. "A continuation of the present prosperity, another tax cut, ample mortgage credit—these factors suggest some strengthening in demand for single-family homes," said Mr. Poston.

The savings and loan institution also reported record annual dividend payments during 1964 totaling \$845,753.20, based on a regular dividend rate of 4 1/2 percent.

Charter Changes To Be Considered

A public hearing will be held January 25 at which time recommendations for changes in the Pahokee city charter will be discussed. The decision to hold the public meeting at the next council meeting was made to allow plenty of time for the legislative delegation to recommend changes.

GEIGER VISITORS

Mrs. J. E. Carter of Jacksonville is the house guest of her brother and sister-in-law, Mr. and Mrs. M. D. Geiger. Other recent guests of the Geigers have been her brother and sister-in-law, Mr. and Mrs. T. W. Griffith of Winter Haven and her niece and nephew Mr. and Mrs. Carl Griffith of Ft. Meade.

ILLNESS IN GEORGIA

Mr. and Mrs. Walter Boatwright left this week for Swainsboro, Ga., where they were called by the illness of his brother. They were accompanied by Mrs. J. C. Hooks who plans to visit with her sisters at Savannah, Ga.

February 1st New Car Tags On Sale

1965 tags will go on sale Monday, February 1st at the Tax Collector's Office of the Glades Office Building across from the Livestock Market. Time has not been extended as 1964 tags were purchased for 13 months. 1965 tags will again be purchased for 13 months bringing the renewal date in 1966 to March 1st.

It is suggested you purchase your 1965 auto tags early to avoid the rush. Growers and those having truck fleets are requested to furnish the office, as soon as possible, with the 1964 registrations or lists of 1964 tags which they intend to renew in 1965 in order to facilitate the renewal of these tags.

Prices for tags for passenger cars which includes the 5c raise to cover costs of luminous paint used on numerals on the new tags are:

D tags (thru 2500 pounds) 14.09.
Plain tags (2501 thru 3500 lbs.) \$22.22.

W Tags (3501 thru 4500 lbs.) \$30.34.

VW Tags (over 4501 lbs.) \$38.47.

7,760 Persons Get State Welfare Aid

Paul M. Cassen, Chairman of District 10 Welfare Board of the State Department of Public Welfare, reported that in Palm Beach County 7,760 Persons were assisted in the four categories of public assistance for the month of December, 1964.

A total of 2223 persons received Old Age Assistance in the amount of \$107,334. 123 persons received Aid to the Blind, totaling \$7,219. 1214 families, representing 3909 children, received Aid to Dependent Children in the amount of \$73,989. 542 persons received Aid to the Disabled in the amount of \$30,270.

In addition 398 children received service during the month, 230 of whom were in foster homes. The total state and local cost for these child welfare services was \$18,074.38.

There were 8 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placing agency, and the Welfare Board is responsible according to law to make these reports to the court.

Palm Beach County is also represented on the District Ten Welfare Board by J. F. Thomas, Jr., West Palm Beach, J. T. McMurray, Delray Beach, Mrs. Wilda Tufts, Lantana, and Mrs. Marion Bleach of Pahokee.

HAS HEART ATTACK

Gilbert H. Harrington, who suffered a heart attack about two weeks ago, is improving slowly in Everglades Memorial hospital. He has been able to sit up a little during the past few days.

Mrs. Leonard Maxson has returned to her home following minor surgery at Lakeland General Hospital in Lakeland.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

County commissioners adopted a resolution Monday requesting the U. S. Army Corps of Engineers to make sure a proposed tap of Lake Okeechobee will not jeopardize the county's water supplies.

New Commissioner E. W. Weaver voiced concern that the proposed canal, which would pump water from the Lake to the Everglades National Park during droughts, might create a water shortage in Palm Beach County.

Glades-area farmers are upset about the plan, and condemned it last week in a formal statement of their views. The U. S. Department of Interior originated the plan.

It would drain water from Lake Okeechobee by way of a canal west of Clewiston. A public hearing on

the scheme will be held January 21 by the Corps of Engineers.

The county commission resolution, passed at Weaver's urging, says Palm Beach County agriculture is dependent on abundance of water. Continued agricultural prosperity is essential to balance the economy, it says.

Even the Corps of Engineers, Weaver said, is not eager to push the lake-drain plan.

"The whole thing is irregular," he said. "Even before the coming of man, the area of the national park was often dry when rainfall was low. And we have not had an average rainfall for five years."

The commission authorized Weaver to be its representative at the public hearing, to be held at

the Central and Southern Florida Flood Control District's headquarters in West Palm Beach.

County Commissioners Monday informally established a "high-priority" list of roads that will be built first with the remainder of the money from the \$15 million road bond issue.

On top of the priority list are South Military Trail, Okeechobee Road, Chase Street Extension in West Palm Beach, and part of Port Road, which will link Bee Line Highway with U. S. Highway 1 eventually.

The part that will be done first, commissioners agreed, will be the stretch from Military Trail to Old Dixie in Riviera Beach.

Commissioners made their selections at an administrative meeting following the regular meeting. The priority list became necessary when commissioners found themselves facing a shortage of road construction money.

Some of the original projects under the \$15 million road building package will be trimmed because of rising cost of construction, which have averaged more than 30 percent above originally anticipated costs.

Eleven of the 28 projects in the

program have not been started, but the commissioners find themselves 3 to 3.5 million dollars short. Commissioners said they will work on a plan to finance completion of all the projects.

Chairman Named For Valentine Dance

The Xi Alpha Mu chapter of Beta Sigma Phi met at the home of Mrs. Wilma Alley with Mrs. Imogene Scott, co-hostess, Thursday night, January 7. President Evelyn Lair presided.

Mrs. Joan Tucker was named as chairman of the Valentine dance to replace Mrs. Nina Hatton who was extended a year's leave of absence. Mrs. Tucker gave further plans and details of the Valentine dance February 13.

Mrs. Margie Mock, social chairman announced the next social "To Tell The Truth" will be at the home of Mrs. Eva Spooner on January 21. Mrs. Kay Sears presented the program on interior decorations, walls, floors and windows. The next meeting will be Feb. 4 in the home of Mrs. Grace Maxson with Mrs. Lavinia Parker, co-hostess.

Pahokee PTA In Regular Meeting

Following an executive board meeting at 7:30 p. m. the Pahokee PTA met in the high school auditorium. Dr. R. C. Lane, president, presided. Room count was awarded to Mrs. Judy Fowler's first grade and Mr. Threlkeld's 8th grade. The program "The need of modern Mathematics" was presented by Kyle Scott and included a panel discussion by Mrs. C. G. Willis, Mrs. Kyle Scott, Mrs. A. R. Harrington and Lee Kahle.

Valentine Dance Discussed By Group

Mrs. Lee Shirley was hostess to the Xi Beta Tau chapter Beta Sigma Phi sorority for their January meeting. The upcoming Valentine dance was discussed and the chapter was reminded that they are in charge of preparations for crowning the queen. Mrs. R. C. Lane presented the program "Nutrition and Meal Planning". The February meeting will be at the home of Mrs. Lois White.

"TOO GOOD TO BE JUST FOR THE YOUNG"

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $1\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

Council Of 100 Head Will Be B. H. Oehlert

ORLANDO—Orlando citrus executive Benjamin H. Oehlert, Jr., recently selected by Gov. Haydon Burns to serve as chairman of the Florida Council of 100, has announced his intention to appoint Col. Stanley I. Hand, USAF (ret.) to the post of executive director of the council.

Col. Hand succeeds Howard Anderson of St. Petersburg who served as executive director under Raleigh Greene, council chairman during the Bryant administration. Oehlert is president of Minute

Maid Co. and will continue in this capacity with Minute Maid. Members of the Council of 100 serve without remuneration.

The council was conceived in 1961 by Gov. Farris Bryant to promote, encourage, develop and assist in the educational, spiritual, social, economic and industrial development of Florida. Its members are all outstanding representatives of industry, business, commerce, religion, education and public welfare.

Fisheries Center To Get Technical Help

MIAMI—Burton Clark, general manager of the Miami Seaquarium, and Capt. Bill Gray, director of collections and exhibits, have agreed to give their services as advisors in the planning of the new \$10 million National Fisheries Center and Aquarium that will be built in Washington, D. C.

The Center will be built on an island in the Potomac River and it is expected that three million people will visit the park each year. The exhibition will include a dolphin pool, a living stream and

many other such exhibits.

Capt. Gray helped design and create the Seaquarium. Clark has been general manager since 1960, when it was purchased by Wometco Enterprises.

As consultants the two will work with William Hagen, acting director of the Center, William Bryan and Craig Phillips, aquarist of the Center and formerly curator of the Seaquarium.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
U.S. SAVINGS BONDS

Patterson Circle In Regular Meeting

"Identifying the Issues" was the topic of the Ione Patterson circle program Monday afternoon. The program was presented at the home of Mrs. M. C. Carter by Mrs. A. H. Scruggs who was assisted by Mrs. Alma Nall, Mrs. W. S. Evans, Mrs. Frank O'Connell, Mrs. M. F. George and Mrs. J. E. Williams. Mrs. J. L. McCall, circle president, presided at the business meeting and Mrs. W. S. Evans gave the opening prayer. The February meeting will be held at the home of Mrs. Frank O'Connell with Mrs. C. B. Jones in charge of the program.

Mrs. Sadie Barwick of Miami is the house guest of her brother-in-law and sister, Mr. and Mrs. Rupert Mock.

MRS. JOHN A. DULANY, BELLE GLADE

Mrs. John A. Dulany was licensed to preach Sunday morning at the regular church service of the Community Methodist Church in Belle Glade. The ceremony consisted of "Laying on of Hands" by the Pastor, Rev. W. R. Boland and the presentation of Preacher's License of the Methodist Church. Mrs. Rhoda Shive, mother of Mrs. Dulany, and Mr. Dulany stood at Mrs. Dulany's side near the altar during the ceremony.

Miss Mattie Bain, house guest of Mr. and Mrs. Paul Rardin, is spending the week in Melbourne.

Mrs. Viola Cross of Jacksonville is the house guest this week of her niece, Mrs. Alma Nall.

Diazinon controls most Florida vegetable insects.

Diazinon* insecticide is the only product you need to control most of the major insects of Florida vegetable crops. Here's the kind of "money-in-the-bank" program that Diazinon can provide:

Diazinon simplifies your spray program. It reduces the need to use several different insecticides. You spray less when you spray with Diazinon. So you save time and money.

You kill insects quickly with Diazinon. And the "staying power" of Diazinon provides outstanding control of problem insects like aphids, Southern armyworms and leaf miners for a long time.

You can use Diazinon throughout the seasons. And close to harvest... without residue problems.

So take advantage of the benefits of superior vegetable foliar insect control with Diazinon. Order dependable Diazinon 50W wettable powder, or Diazinon AG500 emulsifiable concentrate, from your local supplier today.

"Spiritual Goals" Title Of Program

"Spiritual Goals for The New Year" was the title of the program presented to the young matrons of the Young Adults department of Pahokee First Baptist Church by the class president, Mrs. J. D. Douglas.

Mrs. Douglas presented to the class a fourfold goal for the month of January assisted by the members who read scripture verses. The fellowship and social period was introduced by vice president, Mrs. Lee Shirley with the emphasis on Christian fruit bearing. Refreshments were served by Mrs. Gene Gore assisted by Mrs. L. E. Sullivan.

Four Circles Hold Regular Meetings

The January WMU program "Identifying The Issues" was presented to Pahokee WMU members in their circle meetings Tuesday. Mrs. Lewis Pope, Palm Beach County Juvenile officer in the Glades area, spoke to members of the Betty Mills circle at the home of Mrs. Lee Wroten.

Introduced by Mrs. Lee Shirley, Mrs. Pope presented the issues involved in her work with juveniles. In a period of question and answer, the group was informed of the many charges that may be placed against these young people and were asked how they thought delinquency in Pahokee might be curbed.

Following the program Mrs. J. H. Wilkinson, president, presided at the business meeting. The February meeting will be held at the home of Mrs. M. P. Stanley.

At the Lottie Moon circle which met at the home of Mrs. Joe Thompson, the program was presented by Mrs. L. M. Mullis who was assisted by Mrs. Thompson, Mrs. W. A. Keene, and Mrs. Marvin Crady. Mrs. W. A. Stevens presided in the absence of the president, Mrs. F. G. Gillis.

Mrs. Edward Culberson was hostess to the Faye Taylor circle with Mrs. L. E. Sullivan leading in a group discussion of the program. The community mission for the month will be supplying magazines to the Glades Correctional Institution. Mrs. Ralph Crews will be hostess to the group at their February meeting.

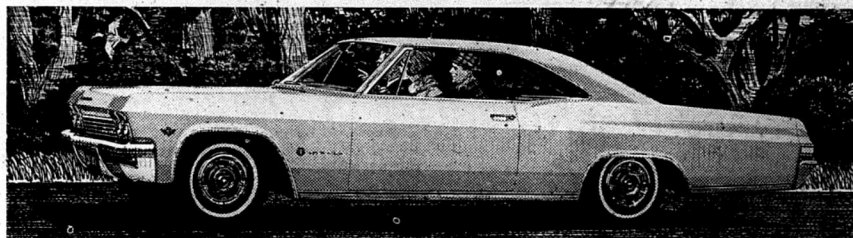

The Grace Jernigan circle used as their program the W. M. U. general meeting topic for this month, "Christ for the Cubans" with Mrs. W. M. Dubose in charge assisted by Mrs. Ralph Grimes, Mrs. Robert Douthit and Mrs. J. R. Walters. The meeting, which was held at the home of Mrs. H. C. Grimes, was presided over by the chairman, Mrs. Mary Hammond.

NEW MOORE HAVEN BANK

Plans call for establishing a new National bank in Moore Haven within the next few months. Folks in that city must necessarily go to Clewiston or Fort Myers to do their banking business.

Mr. and Mrs. Lon Wilson recently returned from Cuthbert, Ga., where they accompanied their daughter, Miss Linda Wilson to Andrew College. Miss Connie Singletary traveled to Tallahassee with them to resume her studies at F. S. U.

Discover the difference in the '65 Chevrolets (As different from other cars as they are from each other)

CHEVROLET—As roomy a car as Chevrolet's ever built.

Chevrolet Impala Sport Coupe

When you take in everything, there's more room inside this car than in any Chevrolet as far back as they go. It's wider this year and the attractively curved windows help to give you more shoulder room. The engine's been

moved forward to give you more foot room. So, besides the way a '65 Chevrolet looks and rides, we now have one more reason to ask you: What do you get by paying more for a car—except bigger monthly payments?

Corvair Corsa Sport Coupe

CORVAIR—The only rear engine American car made.

You should read what the automotive magazines say about the '65 Corvair. They're wild about its ride. They think there's nothing else this side of the Atlantic that can touch its styling. They say if you haven't driven a new Corvair Corsa with a 180-hp Six Turbo-Chargaarged! you just don't know what you're missing.
